	Legal Permanent Residents (LPRs) with Less than 5 years Residency	0-138% FPL >138% - 250+ % FPL	* As of legislation passed in June 2013, recent legal immigrants (LPRs with < 5 years residency) without children who are otherwise eligible for Medi-Cal will instead enroll in a Covered California plan and the state will cover their premium costs, cost-sharing, and any Medi-Cal benefits not offered through their plan. If a recent immigrant without children misses the open-enrollment, they will be eligible for state-only Medi-Cal. Recent legal immigrants with Medi-Cal eligible children will still be eligible for state-only Medi-Cal (same as current policy). This information is subject to change as additional rules become available.
